Presenting . . . .

The Mummy Case

The 1942 Mummy Case is intended to be a monument to the memory of the loyalty and friendship of those who have helped to make University High School one of the most outstanding high schools in Southern Illinois.

This yearbook represents the work of a group of students representing the student body, not a group putting out a yearbook just for their own enjoyment. Thus, it represents a practical application of the ideals of democracy which are becoming increasingly precious to us in view of the present world conflict.

It is the hope of the staff that this book will be worthy to represent the students, faculty, and ideals of our ever progressive school.

When this book is opened in future years to be glanced over, we, the staff, hope many pleasant memories of days spent at U. High in acquiring knowledge, leadership, good citizenship, and other things will be fondly recalled.

DEDICATION

To Mrs. Evelyn Davis Rieke and Mr. Dilla Hall, we the class of 1942 dedicate this book. As our Deans they have lent valuable assistance at one time or other to every boy and girl in school.

Mrs. Rieke is a teacher of languages, Latin and French; also this year she has a new class, Social Problems, a class that gives her a chance to help young people all the more.

Mr. Hall teaches Mathematics in the Junior High school, and he also has a class in Geometry.

In spite of their classes and numerous activities connected with the high school they are never too busy to help the most obscure freshman or the most important senior with any difficulty.

For these reasons we wish to dedicate to our Deans, Mrs. Rieke, Dean of Girls, and Mr. Hall, Dean of Boys, the 1942 Mummy Case. We hope that in this way we will be able to show a part of our appreciation for their services in the past years.

History

The U. High Basketball team this year won 21 games and lost only six games. The Lynxes won 18 consecutive games before being defeated by Murphysboro on February 7. However, the U. High team finished the season with only two of the first team regulars in the line-up.

The Lynxes lost their last game of the season to C. C. H. S. in the semi-finals of the Regional.

Parrish was the top scorer of the year with 271 points. Reynolds rated second with 177 points.

The Lynxes will lose four men by the graduation route: Reynolds, Betts, Kerr, and McIntosh. Pate and Davidson, seniors, failed to finish the season with the team. Juniors on the team are Parrish, Robertson, and Thompson. Toler, a junior, did not finish the season with the team. Trammel is a sophomore and Johnson is a freshman. Champion although not a senior will not be eligible for play next year.

The U. High second team won 6 games while losing only 9 this season.

James Morris

James Morris, better known as Jimmy, is a University graduate who has fought in Uncle Sam's Navy. We wish to dedicate this page to his memory.

Almost every U. High student of a few years back remembers Jimmy as a cheerful, friendly young man. We know he would not begrudge what he gave to his country. To us at University High School Jimmy is a symbol of the tragedy of war, and the problem that all young people face today.
